## Green Field Solar Solution Private Limited

Green Field manufactures LT Panels, DC Distribution Boxes and AC Distribution Boxes pan India basis. We deal from Array Junction Boxes, String combiner Boxes & String Monitoring Boxes. We are leading manufacturer in providing optimum, affordable and premium products to its customers.

Our range of products include LT & HT Panels, VCB Panels, APFC Panels, Distribution Panels, Solar Distribution Boxes, MCC/PCC Panels, Bus Ducts, etc. (Design & Manufacturing). We are Authorized Main Distributor for Havells On Grid & Off Grid Solar Inverter.

In house capacity of manufacturing Solar Structures, Mini Towers, Electrical Poles, High Mast, Street Lights of all types as per the need of the Customer.

Hot Dip Galvanization Structure, Elevated GI Structure, Ground Mount Structure, etc. (Design & Manufacturing) 5000 + Installations across Industries, Institutions, Government Buildings and Residential. Single power plant capacity 9.6 MW commissioned successfully.

Address : C9/C49, 2nd Street, Mogappair Industrial Estate,  
Mogappair West, Chennai-600037, Tamil Nadu, India

## Orient Cables India Private Limited

Strong connections go beyond wires – they power progress and make lives better. Nearly two decades ago, we wound our first reel of cable with a simple idea: every metre should make life a little easier—light a factory line, speed a hospital call, stream a classroom lesson. Today our workshops hum with the same purpose, turning copper, fibre and ingenuity into lifelines that power India’s progress and link its stories to the world. To be the trusted partner behind critical infrastructure—engineering reliable cables and assemblies that empower customers to scale in the world’s most dynamic sectors. We intend to harness our globally accredited portfolio, integrated manufacturing, and engineering expertise to deliver certified, custom connectivity with speed, consistency, and transparency—meeting customers’ evolving needs worldwide while upholding the highest standards of safety, ethics, and sustainability.

## Vguard Industries Private Limited

The origin dates back to 1977, when Mr. Kochouseph Chittilappilly with a burning passion to make a difference set out to build a robust brand in the Indian electric and electronic goods panorama. With a small manufacturing unit for voltage stabilizers, a vision and a strong make-do belief, apart from a capital of Rs. 100,000 borrowed from his father and two workers to assist him, he set sail on his dream. V-Guard grew rapidly to become a name synonymous with voltage stabilizers across South India. The company soon extended their range of products to Voltage Stabilizer, Digital UPS, Inverter and Inverter Batteries, Electric Water Heaters, Solar Water Heaters, Domestic Pumps, Agricultural Pumps, Industrial Motors, Domestic Switch Gears, Distribution Boards, Wiring Cables, Industrial Cables, Induction Cooktops, Mixer Grinders, Fans, Rice Cooker, Gas Stoves & Solar Power Systems. Be India's Leading Brand, Driving Market Leadership with Thoughtful Products and Experiences to Enrich Consumer Lives and Enhance Stakeholder Value.
